BURNT HAMBURGERS, ANYBODY

The jolly gang at Nnewsletter Towers (next time you see one of these "quaint" foto's of a Rio favella, look for a red brick building with a Tricolour on the roof – you canny miss it) have been exceedingly busy these past few weeks (we know, we know but it sounds better than saying we couldnae be ersed) and have not got round to doing a Nnewsletter. Sorry about that (we're no really).....

Anyway ".....No it's no Tommy, it's shite bein Scottish...." is how Renton summed us up in Trainspotting and based on the performance of Scottish teams (domestic and National) who's to argue with him. There, nearly got thru' a sentence without making reference to the Unirea 4 Diarhea 1 result on Tuesday. Whooops!!

Tonight is a biggie. Do we send these genuine Huns homeward to think again or is it to be another game to swell the mineshaft mentality that seems to be on the upswing amongst us these days? Only Tony and his team knows.

We've said that BTM will have the relatively sanctity of a positive press from the Nnewsletter crew until after January and we're sticking to it (bet BTM's relieved to hear that). However, even thru our green tinted specs it's apparent that there's major surgery required and BTM's latest rumblings about a January clear-out would not surprise us at all.

Did somebody mention Robbie Keane?

Oh and what's that? You want a few words about Hamburg?

OK. Fascist scum.

That do?

- Padraig - Apparently was the lead speaker at the Global Irish Economic Forum in Dublin recently.

2. THIS SEASONS FIXTURES / SUBSCRIPTIONS

As you all know we take on the (other) Horrible Huns tonight and then it's Hamilton Accies 10:30 TIP time on Sunday morning. As of this Saturday there'll only be 2hrs of difference between Brasil and Paradise, so no more early starts. Yipee!!

3. FUNDRAISING

1) The Guaratiba Orphanage

October 12th (Dia de Crianças – Children's Day) came and went and another donation of clothes and medicine was handed over by Liliam on behalf of the RFMCSC. Take a bow all of you. Foto's to follow.

2) The Rio Celtic BC

One of the last Fidel and Drew (and Chris) rambles was down to see the Rio Bhoys about a month ago. And a very entertaining day it was to. Botafogo are the latest to take some of the U-15's on trial and the way the big Centre half played that day we would've said that he could've shown our seive'ish central defence a thing or two.

OK, we know. We're not sports photographers but you get the idea

However star of the day (not even 10 years old and already on Botafogo's books) goes to this Wee Man. Ladies, Gentlemen and South African 800m runners we give you a star for the future – Pelezinho!
